### Double bed with high quality reflex mattress with stitched on cover

This double bed is the Buckingham's brother. You get all the comfort and the looks and with a draw at the end this would suit anyone that needs that little extra storage space.

With a price tag like this you will not get a better buy for this quality of bed. In fact you can pay much more for an inferior flat bed!

The model shown has a beautiful Belgium de-mask surround and has casters so it can be easily moved. (Note: this bed can come with any surround).

This bed comes with a full **5-year warranty**. Unlike some other companies, we only sell beds made from the best quality materials and as with all our adjustable beds if you are not totally satisfied with your purchase within 7 days we will fully refund you the cost of the bed.

It is also fully installed by our trained engineers, **NOT FLAT PACKED** like some.
