Electric Adjustable Divan Beds

Build your own bed...

Most of our divan beds come with our standard adjustable mechanism but you can have our Heavy Duty’, Carers’ Hi-Low’ or Slide Back mechanisms installed into any of our beds.

Simply choose these 3 main components...
1. Type of surround
   (Divan, Wooden, Leather or Metal)

2. Type of mechanism
   (Standard, Heavy Duty, Carers’ Hi-Low or Slide Back - See page 54 for options)

3. Type of mattress
   (See page 52 for mattress options)

* Excludes Chatsworth and Sandringham
The Brompton bed is upholstered in a beautiful Port faux suede material, making this bed modern and stylish.

This bed comes with a Q-flex or Standard Sprung mattress and a full 3-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Laybrook beds are also fully installed by our trained engineers free of charge.

**Colour**
The colour of this divan bed surround is port.

**Mattress Options** (see pages 52 & 53)
Q-flex, Standard Sprung, Memory Foam, Firm Edge Memory, Superior Sprung or Memory Sprung. Massage system available in all non-sprung mattresses.

**Sizes**
Available in 2ft 6, 3ft, 3ft 6, 4ft, 4ft 6, 5ft and 6ft. (Special orders can be made to any height or length. Restrictions may apply)

**Bed Height** (from floor to top of mattress)
- Standard Bed Size = 22½ inches
- Standard Bed Size (drawers in end of bed) = 22½ inches
- Standard Bed Size (drawers in side of bed) = 24½ inches
  - Beds without drawers can be made to any height.
  - Beds with side drawers have a 24½ inch minimum height as standard but can be lowered by 1½ inches by fitting glides instead of castors, reducing it to 23 inches.

If you change the specification of the bed it will be a special order (non stock item) and will take up to 1 week longer to make and deliver.

The Corfe bed has a modern design and comforting charm that will ease away any aches and pains with its adjustability.

This bed comes with a Q-flex or Standard Sprung mattress. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Laybrook beds are also fully installed by our trained engineers, free of charge.

---

A high quality bed with a choice of mattress and stitched on cover.

This bed has style and quality for a price that is unbelievable. This original adjustable bed is still a cut above any flat bed. It comes with a Q-flex or Standard Sprung mattress included.

The bed pictured above is shown with a half divan surround. The carved wooden legs raise the surround 7 inches from the floor, providing lots of storage space.

**Colour**
The colour of this divan bed surround is beige.

**Mattress Options** (see pages 52 & 53)
Q-flex, Standard Sprung, Memory Foam, Firm Edge Memory, Superior Sprung or Memory Sprung. Massage system available in all non-sprung mattresses.

**Sizes**
Available in 3ft, or 4ft 6.

**Bed Height** (from floor to top of mattress)
Our standard bed height is 22½” inches from the floor to the top of the mattress (like most beds). To make sure the height of your new bed is correct, before ordering, please measure the height of your own bed first. We can make your bed any height you wish.

The Carers’ Hi-Low mechanism, heavy duty frame, leg lifter or grab ring are not available with this bed.

If you change the specification of the bed it will be a special order (non stock item) and will take up to 1 week longer to make and deliver.
A beautiful bed with a Belgian damask surround that will complement any bedroom.

This half divan fully adjustable bed stands on legs and has lockable castors for ease of movement. The bed has a 7 inch gap between the floor and the base, which is ideal when using a bed table or for storage.

This bed comes with a Q-flex or Standard Sprung mattress and a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Laybrook beds are also fully installed by our trained engineers, free of charge.

**Colour**
The colour of this divan bed surround is beige.

**Mattress Options**
(see pages 52 & 53)
Q-flex, Standard Sprung, Memory Foam, Firm Edge Memory, Superior Sprung or Memory Sprung. Massage system available in all non-sprung mattresses.

**Sizes**
Available in 2ft 6, 3ft, 3ft 6, 4ft, 4ft 6, 5ft and 6ft.
(Special orders can be made to any height or length. Restrictions may apply)

**Bed Height**
(from floor to top of mattress)
Our standard bed height is 22½ inches from the floor to the top of the mattress (like most beds). To make sure the height of your new bed is correct, before ordering, please measure the height of your own bed first. We can make your bed any height you wish.

If you change the specification of the bed it will be a special order (non stock item) and will take up to 1 week longer to make and deliver.

This top of the range bed is the envy of all beds.

Not only does it look fantastic but, with comfort like this, you will simply not want to get out of bed in the morning.

The model pictured above has a beautiful Belgian damask surround with head and footboards (optional extras) and is fitted with castors for ease of movement.

This bed comes with a Q-flex or Standard Sprung mattress and a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Laybrook beds are also fully installed by our trained engineers, free of charge.

**Colour**
The colour of this divan bed surround is beige.

**Mattress Options**
(see pages 52 & 53)
Q-flex, Standard Sprung, Memory Foam, Firm Edge Memory, Superior Sprung or Memory Sprung. Massage system available in all non-sprung mattresses.

**Sizes**
Available in 2ft 6, 3ft, 3ft 6, 4ft, 4ft 6, 5ft and 6ft.
(Special orders can be made to any height or length. Restrictions may apply)

**Bed Height**
(from floor to top of mattress)
Our standard bed height is 21 inches from the floor to the top of the mattress. If purchased without the optional head and footboard, bed height is 22½ inches. To make sure the height of your new bed is correct, before ordering, please measure the height of your own bed first. We can make your bed any height you wish.

If you change the specification of the bed it will be a special order (non stock item) and will take up to 1 week longer to make and deliver.

Headboard height: 1040mm
Footboard height: 670mm

---

*Terms and conditions apply, see page 35 for details.
The Chester has all the attributes of the traditional Laybrook bed but comes with a 25 stone (maximum user weight) mechanism as standard.

With a beautiful Belgian damask surround, removable washable mattress cover and castors. The picture shown above is a 4ft bed, but as with all of our beds, it can be made to any size.

This bed comes with a Q-flex or Standard Sprung mattress and a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials.

Laybrook beds are also fully installed by our trained engineers, free of charge.

**Colour**

- Standard Bed Size (drawers in side of bed) = 24½ inches

- Beds without drawers can be made to any height.
- Beds with side drawers have a 24½ inch minimum height as standard but can be lowered by 1½ inches by fitting glides instead of castors, reducing it to 23 inches.

If you change the specification of the bed it will be a special order (non stock item) and will take up to 1 week longer to make and deliver.

---

This bed has been specifically designed for a person who requires carers.

The design allows for a person to be turned in bed at a comfortable height. It also assists the person to stand up from a seated position on the edge of the bed, in much the same way as a rise and recline chair works. Only the middle (flat) section can be used to assist standing whilst the bed is in its profiled position.

The mechanism can be raised and stopped at any point up to 18 inches from the starting height. It can be raised flat/horizontal for turning a patient or it can be raised in a profiled position (head and/or foot elevated).

The Carers’ Hi-Low Mechanism can be installed into most of our adjustable bed surrounds. (Excluding Ashford, Chatsworth, Sandringham, Huntly, Roslin & Lynmouth) see page 54 for details.
Tranquillity (Anti Snore Bed)

The latest technology to help the partner’s of snorers!

With the simple touch of a button on the side of your bed you can raise the back of your partner’s bed to adjust their position and stop them snoring. After 15 minutes the bed will lower and, hopefully, you will be sound asleep. A luxury profiling adjustable bed with high quality Q-flex or Standard Sprung mattress. Also available with an end drawer.

This bed comes with a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Laybrook beds are also fully installed by our trained engineers free of charge.

**AVAILABLE SIZES**

**Dual**

The main picture shown is a Dual bed. This bed is only available in dual. A dual bed has two mattresses which allows independent movement.

**Colour**

Striped Pattern (cream)

**Mattress Options** (see pages 52 & 53)

Q-flex, Standard Sprung, Memory Foam, Firm Edge Memory, Superior Sprung or Memory Sprung. Massage system available in all non-sprung mattresses.

**Sizes**

Available in 4ft, 5ft and 6ft.

(Special orders can be made to any height or length. Restrictions may apply)

**Bed Height** (from floor to top of mattress)

Standard Bed Height = 22½ inches

Available with an end drawer. If you change the specification of the bed it will be a special order (non-stock item) and will take up to 1 week longer to make and deliver.

To make sure the height of your bed is correct when ordering, please measure your own first.

**HOW IT WORKS...**

When your partner starts to snore simply reach to the button on the side of the bed...

Once pressed, the frame rises slightly causing the other person to move, which in turn will stop them from snoring. The frame lowers itself 15 minutes later.

*Terms and conditions apply, see page 35 for details.
Accessories for Divan Beds

Wireless Backlit Remote
Upgrade your wired remote to the wireless remote control. The wireless remote lights up when any button is pressed to illuminate the control in the dark. It also works on a radio frequency so you don't have to point it towards the receiver box to make it work.

Massage System
The Laybrook adjustable bed system can incorporate a 5-point variable massage system imbedded deep into our luxury foam mattresses. (Not available in spring mattresses).

Under Bed Lights
These innovative lights automatically turn on when you lower your feet over the side of the bed. Two lights are provided, one for the side of the bed and one for the end. Set the lights to automatically turn off between 30secs & 5mins.

Grab Ring (for adjustable beds)
The Arena Grab Ring attaches to the side of the surround so that it stays static when you get in and out of bed, unlike standard grab rings which fit between the mattress and the base of the bed.

Bed Height Adjustment
Our standard bed height is 22½” from the floor to the top of the mattress (like most beds). We can, however, adjust the standard bed height to a height of between 18” and 28”.

Mattress Side Retainers
Occasionally mattresses can be moved due to disturbed nights or if the bed is too high to get into. These retainers will help to stop any sideways movement of the mattress.

Cot Side
These cot sides for adjustable beds can be fitted to any of our divan style beds. They are specially made for our adjustable beds as they fit to the side of the bed, not under the mattress.

Leg Lifter
The electric powered leg lifter assists the user in getting their legs up onto the bed with the minimum of effort. As the head section is raised, it lifts the legs to stop you from falling back. (see page 55)

Blanket Cradle
Designed to protect tender feet, this cradle raises the blanket/duvet off your feet to relieve the pressure of the covers on them.

Headboards
Add style to your new adjustable bed with a great looking matching headboard. This can make all the difference to the appearance of your bed when you walk into your room. Choice of styles available. (see page 55)

Tied Pillowcase
This tied pillowcase prevents the pillow from falling forward when the back of your bed is raised.

Bedding
Beautiful sheets, pillows and mattress protectors are available for ultimate comfort in your new adjustable bed. Waterproof sheets are also available.

Electric Adjustable Wooden Beds

Build your own bed...
All of our wooden beds come with our standard adjustable mechanism but you can have our Heavy Duty, ‘Carers’ Hi-Low’, or Slide Back mechanisms installed into any of our beds.

Simply choose these 3 main components...

1. Type of surround
   (Divan, Wooden, Leather or Metal)

2. Type of mechanism
   (Standard, Heavy Duty, Carers’ Hi-Low or Slide Back - See page 54 for options)

3. Type of mattress
   (See page 52 for mattress options)

* Excludes Hurstly and Roslin
A fantastic quality wooden adjustable bed.

The Barden bed can also come with a low footend surround, again in any size. This is a traditional solid pine surround, whichever you choose, you will have a quality bed at a great price.

This bed comes with a Q-flex or Standard Sprung mattress and a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Laybrook beds are also fully installed by our trained engineers, free of charge.

Colour
Pine.

Mattress Options (see pages 52 & 53)
- Q-flex, Standard Sprung, Memory Foam, Firm Edge Memory, Superior Sprung or Memory Sprung.
- Massage system available in all non-sprung mattresses.

Sizes
- Available in 2ft 6, 3ft, 4ft, 4ft 6, 5ft and 6ft.
(Special orders can be made to any height or length. Restrictions may apply)

Bed Height (from floor to top of mattress)
- Our standard bed height is 23 inches from the floor to the top of the mattress. To make sure the height of your new bed is correct, before ordering, please measure the height of your own bed first. We can make your bed any height you wish.
- If you change the specification of the bed it will be a special order (non stock item) and will take up to 1 week longer to make and deliver.

Headboard height: 1050mm
Footboard height: 750mm

"We are really happy with our new bed. The motors are so quiet and the memory foam mattresses are extremely comfortable."

Beautiful solid oak adjustable bed with sleek lines and soft grain.

This bed is a great addition to any bedroom. It is simple in style and great on the eye. You can also have matching bedside oak tables if you wish.

This bed comes with a Q-flex or Standard Sprung mattress and a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials.

As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Roslin

“This is quite simply the best bed my husband and I have EVER bought. It is so comfy, that the only downside is that it's now almost impossible to want to leave it in the mornings.”

This attractive adjustable bed, made from hardwood has a flat top and a painted white finish.

This bed comes with a Q-flex or Standard Sprung mattress and a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Carers’ Hi-Low Mechanism not available on this bed.

Care Home Classic

This classic home care bed is designed with comfort and safety in mind.

This is an exceptional product that offers flexibility and reliability. The 4 part section metal mechanism gives support to the mattress and flexibility to the patient.

It has two adjustment motors and a separation feature for easy transport. The head and footboards and full length side rails are wood. The ‘handsfree’ has a locking facility that maintains bed position. It also features a quick action bolt mechanism for emergency lowering, dual action headrest and knee brake adjustment to help reduce shear when profiling.

Laybrook beds are also fully installed by our trained engineers, free of charge.

Colour
Beech.

Mattress Upgrades (see pages 40 & 41)

- Max Height from floor to top of frame (excluding mattress) 40 inches (101cm)
- Total Weight (4 piece) 91.5kg
- Heaviest part 20.1kg
- Outer dimensions W1 102cm x D212.5cm
- Max safe weight load 175kg
- Angle of head adjustment max 70 degrees
- Angle of foot adjustment max 20 degrees

The main picture shown is a standard 3ft bed. This bed comes in one size only.
Accessories for Wooden Beds

Wireless Backlit Remote
Upgrade your wired remote to the wireless remote control. The wireless remote lights up when any button is pressed to illuminate the control in the dark. It also works on a radio frequency so you don’t have to point it towards the receiver box to make it work.

Massage System
The Laybrook adjustable bed system can incorporate a 5-point variable massage system embedded deep into our luxury foam mattresses. (Not available in spring mattresses.)

Under Bed Lights
These innovative lights automatically turn on when you lower your feet over the side of the bed. Two lights are provided, one for the side of the bed and one for the end. Set the lights to automatically turn off between 30secs & 5mins.

Grab Ring (for adjustable beds)
The Arena Grab Ring attaches to the side of the surround so that it stays static when you get in and out of bed, unlike standard grab rings which fit between the mattress and the base of the bed.*

Bed Height Adjustment
Our standard bed height is 22½” from the floor to the top of the mattress (like most beds). We can, however, adjust the standard bed height to a height of between 18” and 28”.

Mattress Side Retainers
Occasionally mattresses can be moved due to disturbed nights or if the bed is too high to get into. These retainers will help to stop any sideways movement of the mattress.

Cot Side
These cot sides for adjustable beds can be fitted to any of our wooden beds. They are specially made for our adjustable beds as they fit to the side of the bed, not under the mattress.*

Leg Lifter
The electric powered leg lifter assists the user in getting their legs up onto the bed with the minimum of effort. As the head section is raised, it lifts the legs to stop you from falling back.* (see page 55)

Blanket Cradle
Designed to protect tender feet, this cradle raises the blanket/duvet off your feet to relieve the pressure of the covers on them.

Tied Pillowcase
This tied pillowcase prevents the pillow from falling forward when the back of your bed is raised.

Headboards
Add style to your new adjustable bed with a great looking matching headboard, this can make all the difference to the appearance of your bed when you walk into your room. Choice of styles available. (see page 55)

Bedding
Beautiful sheets, pillows and mattress protectors are available for ultimate comfort in your new adjustable bed. Waterproof sheets are also available.

* These accessories are not available on the Abbeyglen.

Electric Adjustable Leather Beds

Build your own bed...
All of our leather beds come with our standard adjustable mechanism but you can have our Heavy Duty, Carers’ Hi-Low’, or Slide Back mechanisms installed into any of our beds.

   (See page 52 for mattress options)
Lymington

“Just wanted to say how impressed I am with my mattress it’s the best nights sleep I have ever had.”

Simply, a touch of class.

This is a superb high end electric adjustable bed with black metal bedstead. It comes with a Q-flex or Standard Sprung mattress and has spun brass knobs. This again shows the quality and detail we put into our bed surrounds. It comes as a double or dual fully adjustable bed for total support and comfort.

This bed comes with a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials. As with all of our adjustable beds, you can sleep on it for up to 7 nights and if you are not totally satisfied, we will fully refund the cost of the bed or exchange your mattress free of charge.*

Laybrook beds are also fully installed by our trained engineers, free of charge.

A bed that is beautifully crafted to the highest standard.

This is a stunning high end electric adjustable bed with ivory metal bedstead. It comes with a Q-flex or Standard Sprung mattress and has cast brass knobs. **Electric Adjustable Carers’ Beds**

**Remember...**
All of our Carers’ beds come with our 25 stone Heavy Duty Hi-Low mechanism installed as standard.

See page 54 for more information on the different mechanisms available.

**Hi-Low Mechanism**
The Carers’ Hi-Low mechanism can be raised and stopped at any point up to 18 inches from the starting height. It can be raised in a flat/horizontal position to assist standing (pictured below) or for turning a patient. It can also be raised in a profiled position (head and/or foot elevated, pictured above).
Carers’ Hi Low

This bed has been specifically designed for a person who requires carers.

The design allows for a person to be turned in bed at a comfortable height. It also assists the person to stand up from a seated position on the edge of the bed, in much the same way as a rise and recline chair works. Only the middle (flat) section can be used to assist standing whilst the bed is in its profiled position.

The mechanism can be raised and stopped at any point up to 18 inches from the starting height. It can be raised flush horizontal for turning a patient or it can be raised in a profiled position (head and/or foot elevated).

The Carers’ Hi-Low Mechanism can be installed into most of our adjustable bed surrounds. (Excluding Ashford, Chatsworth, Sandringham, Huntly, Roslin & Lymington) see page 54 for details.

Colour
The colour of this divan bed surround is beige.

Mattress Options (see pages 52 & 53)
Q-flex, Standard Sprung, Memory Foam, Firm Edge Memory, Superior Sprung or Memory Sprung. Massage system available in all non-sprung mattresses.

Sizes
Available in 2ft 6, 3ft, 4ft, 5ft and 6ft. (Special orders can be made to any height or length. Restrictions may apply)

Bed Height (from floor to top of mattress)
The minimum starting height can be 21½ inches from the floor to top of mattress. The standard starting height is 23 inches.
- 5 part adjustable profiling with integral rise and lower facility.
- 4 motors (2 for profiling and 2 for lift).
- Vertically rises up to 18 inches from starting point.
- Weight adjuster zone in lumber area.
- Cut outs available (for hoist access).
- Maximum weight capacity 18st or 25st.
- Special order.

Dual Carers’ Hi Low

"They answered all our questions and advised us on the best bed to buy for my husband for the short and long term of his condition."

This linked dual carers’ bed allows for a person to be turned in bed at a comfortable height. It also assists the person to stand up from a seated position on the edge of the bed, in much the same way as a rise and recline chair works. Only the middle (flat) section can be used to assist standing whilst the bed is in its profiled position. It can be raised flat for turning the patient or profiled as shown in the picture above (head and/or foot elevated). The bed has a 7 inch gap between the floor and the base, which is ideal when using a bed table or a hoist.

Available Sizes

Single

Double

Dual

The main picture shown is a single bed. The bed also comes in a double and dual. Single and double beds have one mattress. A dual bed has two mattresses which allows independent movement.

5 YEAR GUARANTEE FREE INSTALLATION & DELIVERY
Turning Bed

From a sleeping to standing position in one push of a button, great for getting in and out of bed.

The electric Turning Bed from Laybrook is the ideal bed for a person who wants independence. It allows the person to get from a seated position on the side of the bed and turns the bed into a flat position for sleeping. One push of the button will do a full rotation from seated to sleeping position without the need for carers. It also helps to get your legs onto the bed with the minimum of fuss and gives complete independence.

This bed comes with a Q-flex mattress as standard and a full 5-year guarantee. Unlike some other companies, we sell beds made only from the best quality materials.

Laybrook beds are also fully installed by our trained engineers free of charge.

Features
- 90 degree rotation feature
- Height Adjustable
- Grab Rails
- Fully Profiling
- Patient Grab Handle
- Lockable Castors

NEW TILTING FUNCTION
(When the bed has turned 90 degrees you can tilt the bed like a riser recliner chair to help get in and out of the bed).
- Left and Right exit available

Mattress Options (see pages 52 & 53)
Q-flex, Memory Foam or Firm Edge Memory.

Sizes
Available in 3ft, 5ft6 and 6ft.
(Special orders can be made to any height or length. Restrictions may apply)

Bed Height (from floor to top of mattress)
Standard Bed Size = 22½ inches
Minimum user height = 4ft 6

HOW IT WORKS...

The frame takes you gradually from a flat sleeping position to a seated position. It then rotates 90° then lowers the legs. The tilt function then creates easier access in and out of the bed.

Tilt function helps to keep your feet on the floor.

TILTING FUNCTION
The frame can tilt as well as move up and down (Hi-Low), making it easier to get in and out of bed without the need for a carer.

GRAB RAIL
An integrated moveable grab rail gives extra support and stability when getting in and out of bed.

See demonstration videos online
St Helier Chair Bed

Innovative and brand new to the market, providing comfort and versatility.

The St Helier chair bed is brand new to the market, and fills the gap for people needing help to lift their legs up onto the bed without the need for a carer. It can be a full size single bed (3ft with the arms down) down to a small single of 2ft 6 inches.

It has an option of a foot extension so that your feet are supported on the footplate, rather than your ankle supported with your feet hanging over the end.

It can be used either upstairs or downstairs for people who cannot get upstairs and has a standard weight capacity of 18 stone but can be upgraded to 25 or 35 stone.

The St Helier chair bed is also fully installed by our trained engineers, free of charge.

Colour
As pictured.

Mattress Options
Fixed mattress on chair.

Sizes
Seat Widths:
22 inches (with the arms pushed down, the overall width is 30 inches)
24 inches (with the arms pushed down, the overall width is 32 inches)
28 inches (with the arms pushed down, the overall width is 36 inches)
(other sizes available)

Seat Depth: 20 inches

Seat Height: 18 or 20 inches (other sizes available)

DUAL MOTOR Rise & Recliner
Infinite Movements

Care Home Classic
Ultra Low Bed

The Ultra Low Bed will brighten up any room with classic design and attractive wood finish.

This Ultra Low version of our Care Home Classic bed also has natural beech finish. It combines the highest level of functionality, safety and comfort. The sturdy and stable Classic Ultra Low meets all the requirements for providing comfort and safety.

This is a low profile bed from 23cm to 63cm height adjustment. It has two adjustment motors and a separation feature for easy transport. The head and footboards and full length side rails are wood. The ‘hands free’ has a locking facility that maintains bed position. It also has a quick action bolt mechanism for emergency lowering, dual action headrest and knee brake adjustment to help reduce shear when profiling.

Laybrook beds are also fully installed by our trained engineers, free of charge.

Colour
Beech.

Mattress Upgrades (see pages 52 & 53)
Contour Deluxe, Memory Foam, Memory Sprung or Alternating Air Mattress.

Sizes
Available in 3ft only

Mattress Options

Laybrook is a specialist manufacturer of adjustable beds and mattresses. All our mattresses are individually made to your specification for your weight and how you like the feel of the mattress, whether that be soft, medium or firm.

Q-flex Mattress
(FREE WITH ANY BED PURCHASE*)
The original mattress, designed for adjustable beds and contours easily to the base. Includes ‘Cool Foam’ open cell technology (which can be Castellated). The cover is a double stretch cover and is removable for washing.

Each mattress is made individually to suit the user weight in a soft, medium or firm feel. They are also Anti-allergenic, so no bed mites or bugs. It has no springs and is pressure relieving.

*Includes classic care home bed and classic ultra low bed.

Standard Sprung Mattress
(FREE WITH ANY BED PURCHASE*)
A coil sprung mattress with supportive reflex foam top, it has air vents to relieve moisture build up.

Each mattress is made individually to suit the user weight in a soft, medium or firm feel.

*Includes classic care home bed and classic ultra low bed.

Upgrades -
Memory ‘Cool Foam’ Mattress
Visco elastic or ‘Memory Cool Foam’ is superbly supportive and comfortable. Designed for anyone with aches and pains, it cradles your body making it a ‘super supportive’ mattress. It is temperature sensitive and relieves high pressure areas (shoulders and hips). It also reduces tossing and turning by up to 85%. Includes ‘Cool Foam’ open cell technology. The cover is a double stretch cover and is removable for washing.

Each mattress is made individually to suit the user weight in a soft, medium or firm feel. They are also Anti-allergenic, so no bed mites or bugs. It has no springs and is pressure relieving.

Firm Edge Support
Memory Mattress
This mattress incorporates the same open cell technology as the Memory ‘Cool Foam’ mattress, with added edge support to help people who have little balance or feel as if they tip forward whilst sitting on the edge of the mattress.

Superior Sprung Mattress
This mattress has individual springs in separate pockets (pocket sprung) and a top layer of natural fibres to keep you cool at night. The mattress sides have a 1 inch border of foam to keep the springs in place and let the mattress bend easily. Your own mattress may have a wire around it to keep the springs in place, they are not designed for adjustable beds.

Each mattress is made individually to suit the user weight in a soft, medium or firm feel.

Memory Pocket Sprung
This mattress also has individual springs in separate pockets (pocket sprung) and a top layer of ‘super supportive’ Memory ‘Cool Foam’ (open cell technology). The mattress sides have 1 inch border of foam to keep the springs in place and let the mattress bend easily. Your own mattress may have a wire around it to keep the springs in place, they are not designed for adjustable beds.

Each mattress is made individually to suit the user weight in a soft, medium or firm feel. Pressure relieving.

Alternating Air Mattress (static or dynamic)
This mattress measures the user weight for maximum support. Patient comfort - no need to transfer from static mattress as this mattress is also a dynamic mattress. Simply add the pump to change to a dynamic alternating air mattress. Designed for patients with a high to very high risk of pressure sores. It has a Castellated upper layer.

Massage - Available on all non-sprung mattresses
A variable speed luxury 5-point massage system with auto cut off after 15 mins.
- Tension relieving, may be a great help for people with aches and pains, arthritis, Oedema, circulation problems, back problems, sleeplessness, respiratory problems and many more ailments.
- Rolling (head to toe) function.
- Pulsing function.
- Memory function (one button press for last massage setting).

If you have a pacemaker or diabetes or are unsure about using massage, please consult a doctor before use.
**Mechanisms**

**Standard Adjustable Mechanism**
This is our standard adjustable mechanism for our adjustable beds. A strong and comfortable wooden slatted frame with 5 part motorised movement can hold up to 18 stones.

*Syr Guarantee*
Sizes: 2ft 6, 3ft, 4ft, 4ft 6, 5ft and 6ft.

**Heavy Duty Mechanism**
(Not available for Chatsworth or Sandringham beds)
The heavy duty frame has a total weight limit of up to 25 stones (standard) or 33 stones (Extra Heavy Duty). Standard frames take up to 18 stones. The heavy duty frame has thicker woodwork, slats, stronger metalwork and more powerful motors.

This frame can be installed into any of our adjustable bed surrounds, so choose the bed you like and add the cost of this frame.

*Syr Guarantee*
Sizes: 2ft 6, 3ft, 4ft, 4ft 6, 5ft and 6ft.

**Carers' Hi-Low Mechanism**
This carers' bed mechanism can be installed into most of our adjustable bed surrounds. The design allows for a person to be turned in bed at a comfortable height. It also assists the person to stand up from a seated position on the edge of the bed, in much the same way as a rise and recline chair works. Only the middle (flat) section can be to assist standing whilst the bed is in its profiled position. The mechanism can be raised and stopped at any point up to 18 inches from the starting height. It can be raised flat/horizontal for turning a patient or it can be raised in a profiled position (head and/or foot elevated). The minimum starting height can be 21½ inches from the floor to top of mattress. The standard starting height is 23 inches from the floor to the top of the mattress. Simply choose the bed you like and add the cost of this frame.*

*Syr Guarantee*
Sizes: 2ft 6, 3ft, 4ft, 4ft 6, 5ft and 6ft.

**Slide Back Mechanism**
(Not available for Chatsworth or Sandringham beds)
This mechanism means that you will be closer to your bedside table when the bed is raised fully at the back. The bed slides back towards the wall as the back of the bed raises.

This frame can be installed into any of our adjustable bed surrounds, so choose the bed you like and add the cost of this frame.

*Syr Guarantee*
Sizes: 2ft 6, 3ft, 4ft, 4ft 6, 5ft and 6ft.

---

**Headboards**

- **Style**
  - Traditional Buttoned Headboard
  - Traditional Non-Buttoned Headboard
  - Squared Headboard

**Size**

Choose from: 2ft 6, 3ft, 4ft, 4ft 6, 5ft, 6ft

**Leg Lifter**

The electric powered Leg Lifter assists the user in getting their legs up onto the bed with little effort. It has been developed to be used with our electric adjustable beds, you can have the head section raised whilst lifting the legs to stop you falling back. Simply press the button and air fills bags under the leg lifter to raise your legs. This is perfect for people with chronic Oedema, muscle problems or hip or knee joint problems.

---

**Bedside Tables**

How about a beautiful bedside table to match your new adjustable bed? We have various styles in wood or we can even match it to the colour of your divan bed surround. An extendable table option is also available for easy reach.

*Please contact us for more details.*

---

7 DAY FREE TRIAL TERMS & CONDITIONS: If you change the specification of the bed it will become a ‘special order’ (non-stock item) and will take up to 1 week longer to make and deliver. The full refund on the bed does not apply to ‘special orders’, however the exchange of mattress is still applicable. Please contact us if you require further information and for full terms.
